Re: Certification of the Use of Universal Service Funds pursuant to 47 C.F.R. §54.314 and  
Telecommunications Act §254(e)

Dear Ms. Boyd:

United Telephone Company of the Carolinas d/b/a CenturyLink ('Company') hereby requests that the Public Service Commission of South Carolina ('Commission') submit a letter to the Federal Communications Commission ('FCC') and the Universal Service Administration Company ('USAC'), verifying that the Company is in compliance with section 254(e) of the Telecommunications Act. Attached for filing with the FCC and USAC is an affidavit attesting to the fact that any Federal Universal Service Funds the Company has received in the previous calendar year or will receive in the coming calendar year are used as intended in compliance with section 254(e) of the Telecommunications Act.

The FCC requires that state regulatory authorities file a letter with the FCC and USAC certifying that carriers are in compliance with section 254(e) of the Act by October 1 of each year. If certification is not accomplished by October 1, 2018, federal support for universal service in the areas served by CenturyLink within South Carolina will be reduced or withheld for 2019.

CenturyLink respectfully requests that the Commission accept this letter and the attached affidavit as self-certification that CenturyLink is in compliance with section 254(e), and that the Commission issue a letter to the FCC and USAC prior to October 1, 2018, notifying them that CenturyLink is eligible to receive federal universal service support in accordance with Section 254(e) of the Telecommunications Act and 47 C.F.R. §54.314.

Thank you for your assistance in this matter. Please contact me if you have any questions at (318) 362-1246, or Derek Kelly at (919) 554-7720.

Sincerely,
